Regulations

1. The total number of credits required for graduation is 128, including 24 university-required credits, 6 college-required credits, 33 department-required credits, and 65 professional elective credits.
2. Students in their first to third years may take 9-25 credits per semester, while fourth-year students may take 6-25 credits.
3. Students may take courses offered by other departments that are not available in this department. Upon departmental approval, up to 12 credits (including interdisciplinary program credits) may be counted toward professional elective credits. Students may also take courses at other universities, limited to one course. Credits earned will be included in the calculation of external elective credits. Inter-institutional enrollment shall follow the University's "Implementation Guidelines for Inter-Institutional Course Selection."
4. The program includes three modules: Hospitality Management, Travel Management, and Leisure and Recreation Management.
5. Students participating in the Ministry of National Defense Reserve Officers' Training Corps (ROTC) who have completed required training and obtained certification may apply for exemption from internship courses. Students applying for a full-semester internship exemption must complete registration and enroll in at least one course during that semester.
